

The MAFES Grantsmanship Award

The Mississippi Agricultural and Forestry Experiment Station will recognize excellence in grantsmanship to be presented at the Spring CALS/MAFES Awards Luncheon. The award winner will receive a plaque and \$1,000.

Eligibility

1. Candidates for this award will have a MAFES appointment.

Nomination Process

1. Records from MSU Sponsored Programs Administration are reviewed to determine the scientist with the greatest total extramural awards during the calendar year.
2. Extramural competitive awards, SMOAes, and GMOAes awards are included in total calculation. Internal awards and congressionally directed awards are excluded from consideration.

Selection Process

The Associate Director of MAFES research will review Sponsored Programs Administration records to determine the faculty with the greatest total extramural awards.
