Expected Graduation Date:

Please note: MSU does not currently have a process for adding a minor in Banner. The information on this form is for college and departmental tracking of minors. A student must declare intent to complete requirements for a minor when completing the graduation application. Minors can only be granted concurrently and in conjunction with the granting of a degree from Mississippi State University. Completion of a minor will be noted on a student's academic transcript.

STEP 3. Email the completed form to Jada Chubb at paperwork@cals.msstate.edu.
